V. Mediation training:

I have completed the inaugural 40 hour course given by ABI/St. John's University School of Law Bankruptcy Mediation Training Program (I was a member of their inaugural class of 2011) as well as 27 ½ hours at the basic mediation course entitled Conflict Resolution Theory and Techniques offered by the Association of the Bar of the City of New York. I have also completed 3 hours in an additional training course run by the Association of the Bar of the City of New York on ADR in Bankruptcy Cases.

VI. Pertinent bankruptcy training:

In addition to all of the training identified above, I have experience both as Debtor's counsel and creditor's counsel in many cases. While the mainstay of this Firm's work has concentrated on creditor representation, using this unique perspective over the years, the Firm has been engaged as Debtor's counsel in a variety of Chapter 11 bankruptcy cases. Some of the cases are listed below. I have served as Debtor's counsel in several large bankruptcy cases in the Eastern and Southern Districts of New York, many of which were successfully confirmed, several of which were resolved by consensual orders providing for structured dismissals.

The Firm confirmed the Chapter 11 reorganization cases of (a) Avionics Plastics Corporation, a nationally known plastic injection molding corporation, and (b) Volkert Precision Technologies Inc., a precision tooling company, both before the Honorable Dorothy T. Eisenberg. The cases involved staying off a potential leveraged buy out by a competitor and other related litigation.

The Firm confirmed the Chapter 11 reorganization of BR Steel Products before Judge Tuhoey in the New Jersey Bankruptcy Court. The assets of BR Steel were sold to a third party "white knight" as part of the reorganization process and the core of the Debtor's business operations were then relocated to New York.

The Firm represented the owners of a large commercial use property in Brooklyn, New York, Fulton Center LLC, in a case pending before the Honorable Jerome Feller. After reorganizing the company during the course of the bankruptcy case and entering into a consensual agreement with the first mortgage lender, the case was consensually dismissed.

The Firm confirmed the Joint Plan of Liquidation for the Dial-A-Mattress Companies before the Honorable Dennis E. Milton of the Eastern District of New York. The case involved the successful litigation with franchise owners and a contested sale process in which the assets of Dial were successfully sold at a competitive auction sale to Sleepy's. The final sale price generated close to an eighty percent return to the creditor body.

Most recently, the Firm confirmed the Joint Plans of Liquidation for the Innovative Companies, comprised of six companies which supplied granite, marble and natural stone products for commercial and residential use nationally. At the time of the filing the companies were the tenth largest woman owned company in NY. The core business assets were sold to a third party as part of the reorganization process and the original CEO presently serves as the CEO of the new companies.

Additionally, the firm has represented a variety of constituencies in complex bankruptcy cases such as:

- *In re Curative Health Services, Inc. et al.*, U.S. Bankruptcy Court, Southern District of New York. Represented General Electric Capital Corporation as the senior secured lender and debtor in possession lender in the pre-packaged Chapter 11 filing of Curative Health Services, Inc., et al., providers of specialty infusion and wound care management services. Negotiated and documented \$50,000,000.00 debtor-in-possession credit facility.
- *In re Homesteads at Newtown, LLC*, U.S. Bankruptcy Court, District of Connecticut. Represented first mortgagee and cash collateral lender in the Chapter 11 filing of this assisted living healthcare facility. Addressed and litigated all cash collateral, foreclosure, stay relief and operating trustee appointment issues. Coordinated taking title to facility after successful litigation and represented the seller in connection with the subsequent sale.
- *In re Impath*, U.S. Bankruptcy Court, Southern District of New York. Represented unofficial group of equipment lessors including Hitachi Credit American Corp., Wells Fargo Equipment Finance Inc., TCF Leasing, Inc., Fleet National Bank, and First American Equipment Finance in connection with lease workouts, litigating true lease issues, valuation of collateral and negotiating payment of almost \$8,000,000.00 in debt.
- *240 Church et al.*, Represented DIP lender in a multi debtor healthcare case of several related assisted living facilities, negotiated post petition financing arrangements and plan treatment.

- *In re Ames Dept. Stores*, U.S. Bankruptcy Court, Southern District of New York. Represented unofficial lessor group including CIT, Siemens Financial, Fleet Capital and CitiCapital in connection with lease workouts, assumption/rejection, litigating true lease issues and negotiating in excess of \$7,000,000.00 in debt.

VII. General pertinent business or legal experience:

I served as Chair of the International Women's Insolvency and Restructuring Confederation from 2004-2008. I am currently head of special projects for the American Bankruptcy Institute's Healthcare Insolvency Committee and Editor-in-Chief of the soon to be published ABI Health Care Manual (Second Edition). I also serve on the Strategic Planning Committee for the U.S. Bankruptcy Court for the Eastern District of New York. I am an active member of the Nassau County Bar Association and a past Chair of its Bankruptcy Committee. In addition, I serve on the Board of Editors of *Pratt's Journal of Bankruptcy Law* and I am a past President and board member of Hofstra School of Law's Alumni Association.
