

## DELAWARE CHAPTER 13 PROCEDURES:

Filing procedure and service for Chapter 13 Amended Plans, Modified Plans and Docket withdrawals:

- a. Amended plans must be served on all creditors. See local rule: 3023-1( c )(i)
- b. Amended plans should be numbered sequentially
- c. Amended plans incorrectly filed or served may be subject to a deficiency notice issued and docketed by the Court.
- d. Modified Plans should be numbered sequentially and filed with a brief Motion requesting approval of the proposed modified plan. The Court will notice modified plans. No hearing is required, so no hearing information should be docketed or noticed.
- e. If another modified plan is filed before a previous modified plan is approved, the previous modified plan should be withdrawn and identified on the docket as withdrawn and served on all creditors.
- f. The foregoing does not apply to modified plans that the Court has approved. A Motion that vacates the order approving the modified plan is required and if appropriate requesting approval of a subsequent modified plan.
- g. Interim Confirmation: Any changes to the Plan prior to Final confirmation would be identified as an Amended Plan.
