

OUR PURPOSE

Bankruptcy is a sophisticated area of law that not all practitioners grasp. This field is becoming increasingly sophisticated and technical, requiring a high degree of knowledge and expertise. In this ever-changing world, it's important to be a confident, resourceful employee.

Twenty seven years ago, the ABJA recognized the necessity for professional development and created the CBA Program to promote and maintain these professional standards.

CBA PROGRAM

Our purpose is to enhance your work skills and to assist you in your professional career, specifically in the bankruptcy field. This two-day Program provides you with relevant, up-to-date training taught by professionals—Federal Judges, Attorneys, Law Professors, and Federal Law Clerks.

Upon completion of the CBA Program, you will successfully navigate the Bankruptcy Code & Rules, refresh your Grammar skills, build on your Legal Research knowledge, and wind your way through treacherous Ethics' pitfalls.

YOU ARE INVITED!

If you work under the guidance of a Judge or an attorney and have at least one-year experience in bankruptcy law, we invite you to become a CBA. Our annual Program and conference will be held at The Hotel Andaluz, (877) 987-9090, in—

Albuquerque, NM
