

## Self-Certification of COVID-19 Vaccine Status

The U.S. Bankruptcy Court, District of Delaware (DEB) continues to strive to maintain a workplace free from recognized hazards and promote the health and well-being of our employees, their families, and the public at large. As part of this effort, DEB has implemented specific safety protocols and requires that all new employees be vaccinated. For this reason, DEB requires that applicants provide us with your COVID-19 vaccination status when applying for a position with the Court.

For purposes of this inquiry, an individual is considered “fully vaccinated” when it has been at least two weeks since receiving the final dose, as recommended by the manufacturer, of a vaccine that the FDA has authorized for use in the U.S., including vaccinations that have been approved pursuant to an Emergency Use Authorization.
