

**Rule 9029-2      Guidelines for Communication and Cooperation  
Between Courts in Cross-Border Insolvency Matters.**    The  
guidelines set forth at Part X of these Local Rules (the  
"Guidelines") may apply in any case involving cross-border  
proceedings relating to insolvency or adjustment of debt opened  
in a foreign court.    In order for the Guidelines (whether in  
whole or in part and with or without modification) to be  
applicable in a particular case, the Court shall approve a  
protocol or enter an order, following an application by the  
parties or sua sponte by the Court.
